

Instruction how to submit a paper for the International Journal of *Aircraft Engineering and Aerospace Technology*

To submit your paper online you must first **create an author account** at <http://mc.manuscriptcentral.com/aeat> (unless you already have the account) then follow the on-screen guidance which takes you through the submission process. ScholarOne Manuscripts is an intuitive and author-friendly interface for submitting articles to Emerald journals over the Internet. Online submission facilitates a fast and efficient publication service and provides the author with the ability to track their paper through the review process. All Emerald journals are moving to online submission.

If you do not have an author account on *Aircraft Engineering and Aerospace Technology* then you will need to create yourself an account, even if you have an account on a different journal. Please see the instructions below explaining how to register.

Registering on ScholarOne Manuscripts – for new users

- To register please follow the instructions below:
- Log on to <https://mc.manuscriptcentral.com/aeat>
- Click on the **Create An Account** link at the top menu.
- Follow the on-screen instructions, filling in the requested details before proceeding
- Your username will be your email address and you have to input a password of at least 8 characters in length and containing two or more numbers
- Click 'Finish' and your account has been created

Submitting an article

- Once Registered go to <https://mc.manuscriptcentral.com/aeat> with your username and password. This will take you through to the Welcome page.
- (To consult the Author Guidelines for this journal click on the Home Page link in the Resources column).
- Click on the **Author** button.
- Click on the **Start New Submission** link which will take you through to the Manuscript Submission page.
- Complete all fields and browse to upload your article. Please include your structured abstract in your article file.
- At the **Please select the issue you are submitting to** (step 5 – Details & Comments) please highlight “**READ & EWADE 2018 conference**” in the dropdown list
- **You must upload a minimum of 2 files:** An anonymous article file (you should upload the title page – with all author contact details - as a separate file) because we operate double blind peer review. It is recommended to upload the figures as separate high resolution files (300 dpi).
- When all required sections are completed, preview your .PDF proof.
- Submit your manuscript.

Please contact manuscriptcentral@emeraldinsight.com if you require any assistance.

After you have submitted your paper you will receive an email indicating that your paper has been received together with its unique identity number. This means that the Editor, Publisher, and Reviewers will be able to process your paper in addition to you being able to track your paper at each stage of the publishing process.
